S. B. BUCKNER, Editor. | RIDAT WORNING, - - - 31 L. 2, 1868.

The Democratic Party and the Hogus State Covernments.
English agitators when deprived of everc her topic can always fall back on Poper ething which inversably excites bel I gerent emotions in the bos en of loys ons. The pious populace of the island I ves in a chronic state of alarm on the subj ct of its cherished religion. There is not lurgier in London who could retuse to join a mob raised to put donn l'opery and ensta be Es ablished Church. As smaginary Popieb plots have answered the purposes of dos comes in England, an rebellion is to become from this time on, the spectre of America litics. There are leading in a and infine tal journals that have no dispute with the

year principles and purpo es of the Demi

eratic party, but are cur ed with a specie

son lu the most innocent expre

et second sight which cushles them to dete

peaceful and jaggenetec propositions. A leading New York paper condemns the est white men which has been enforced by Grant's bayons to to promote Grant's election, and at the same time pretends that it must rt Grant as the quickest way of heading President and House of Representatives, rebeliton would begin against the bogus negr eraments in every Southern Stote. An ill sted perman of Chitis' recent paper on the application of Tanet's decidos in the Rhode Island case to the rainting beyonet governments at the South has given the urual aliuded to a fit of pigbtmare. In the the withdrawal of troops from the South I) are rebeltions in an urated, and a war of

te to the great de light of Radicals. N w, suppose the army be withdrawn at e people in cach Southern State be permit ar their State governments, le not that a CASTY Northern State? Why coil it rebellion State governments bave been overthrown b the aims, white men, voters all their liver e been distranchised without trist, withou conviction, by laws concocted in other State and submitted for approval to negrous never conterred by any compe tent anthority; and the sham governments and proccuptive institutions thus foisted apemployed for that purpose must still be troops and permit the citizens to substitute which are imposed from without, and which fixed principles of Republican polity.

We can assure the timed that if the troops and aimed leagues, which have been employed to oversue both white and black, be with intions will vanish before the peacefully exed mandate of the p otile. The vote of Arkeness (which was tal ified by the most sippl, show that the blacks, if relieved from the presence of terrorising garrisons and leagues, would rote down those constitutious of themselves. It will need no bloodshed, no by the whole white population and by half the

cound by that recognition, and the President also, to anch an extent that he le bound to maintain the power of the recognized Governor and Legislature again it any rival claim-ants of their authority. This is 4 outsiess true, and the Democratic party, if in power, would doubtiess stand by the principle in good faith. For instance, if Congress racognized a government chosen by a hundred men to rule over a State to which all the rea Democratic President would be, in arrich law, bound to un main the power of their un republican government against the resis-tance of the enslaved people. But be couse one Congress lorgets its duty, and in form," that does not blad a succeeding Congress to stultify itself by recognizing b loo. The Constitution requires Congress to construction would convert this federal tile and tyranuous a arration which could,

The Isane, then, between the Republic the bogus governments of the South shall be she ber those beyonet mide oligarchies shall dimate governments of those States. The tive governments which have been set up as apolis, or to New York, or to Chicago?

which be gove up as past fluding out. With proposed connection at this point, and thus a ... without any napion cont of the other "ways" which bothered him so, he have two competing routes to bid for transwould have included the "way" in whilet po-titical jugaters task a sinst wiset they are working tar. The way of the New York with the Radical party would have Jedersonville roud. pazzle t b m m se than "ib way of a accepent

The editor of the Times spoke against the by one action on this subject. By clossly econstruction mea ur, and voted or them. usi struegle-has in short di putod its pro- lavelle, we afford ample lacilities tor the trafpositious and a sailed its principles, but has all between the two great sections on either supported its caudidates and voted for its saide of n , and have them no reason lor its measures. While the Times hunts with the wolves it is continually bleating like a sleep, While it any "how d'ye do, brother?" in good Enclish it carries the poleoned arrows reliway systems North and South of me uniteral the poleoned arrows reliway systems North and South of me uniteral the poleoned arrows reliway systems North and South of me uniteral the poleoned arrows reliway systems North and South of me uniteral the poleoned arrows reliway systems North and South of me uniteral the poleoned arrows reliway systems North and South of me uniteral the poleoned arrows reliway systems of the poleoned arrows reliwage reliwag and the bloody scalping kulfe of the toman-che nuder it gurments. Of course it is for trant. Its ideal of a pricel candidate is one traffic of either nection and pour

hateful African draposism
In supporting trans the Times strikes its
will known by oote, adopted lung ago because it harmonized with us other note in
the choir. White other Radicals and supporters of Grant are proud of the war, proud
of the debt, proud of nigro suprimized and
of the debt, proud of nigro suprimized and
white slavery in the South to use his degree
that they boast tho fight o minusily, and
claim with exacting jealousy the entire hon
or of conceiving and executing them, the
Times concedes that they are deplorable evils, and boldly "holds the Democratic party re-sponsible for the most objectionable features for upon the Jefferson with road a monopol the reconstruction measures." As ex of through transportation would be almost amples of cool assurance and bold assertion certain to cause the construction of a short the expositions of the Times in this topic are road between Cucinnati and Nashvile tenly phenomenal. Plelu feal ug, direct p o through Kentucky countles lying in our rear

The Times prints article after article to make the unpression that the identity of the two parties has been consolunded in the courts on of recent events. The deeds which are the boart of the Radical party it is identified by the court of the Radical party it is identified by the court of the Radical party it is identified by the court of the Democratic party, and it very cutty acquits the party which plead not ulty sometimes the party and the party of the part cannot regard them with at wonder. spoosible for the war upon the South. The lamb had maddled the waters, ar some of its Lyscopial history.

tolks had done something which made ossible for the mild and mercital wolf t frain trom killing and callng the overbea ng and oppres lee y ung wheep on the apo

There would have been no war it the Den atic party, instead of asserting, had join e Times in denying that the Republican ired and intended to abolish alavery, an on the rules of State rights and constitution guaranties of every sort to erect a mil and negro domination over the whites of the South. True, the logic of events has belie subject, but it still assurts that it the Rudicale had been permitted pescelully to have every thing their own way they would not have he

their own way at ait,
In the same way the Democracy is to t war. By advocating peace at any price th Democratic party subjugated and devastates the South. By remonstrating against any lu rierence with slavery the Democratic part ancipated the negroes. By impudent quoting the joint resolution of Congress which defined the object of the war in 1861 and by recommending the existing Constitution as the just and safe basis of a leaster pacification, the Democratic party overthrew ten States, distructured the white popula stors and embryo rebelions in the most tion and established negro supremacy.

In this easy and convenient way the Tim

fixes upon the Democratic party the respon sibility of conaucipation, negro suffrage rerything clae which Democrats have opposed. It is nothing that the party wis the Times excuipates and approrts had en tire possession and unrestricted control the power by which these things were done.

It is nothing that the Radicals spit upon the Constitution, filled the Northern prisons with nocent Northern Democrats, struck down the writ of habeas curpus, substituted courts martial for civil tribunals, prostrated the industry of the South and burdened that of th complish all these things! Still the Tim depublican party which wielded the power hat did it all, but the Democratic party, ntirely, and free thought prevented, the Means, Merris, Southwich & Co and a never | never |

Buch is the ratlocination by which the New York Times justifies its support of Radical candidates. We suppose that it holds the blessed martyrs recionsible for the religions persecutions of just ages, and believes that the saints are now in torment for the sinful dords of the winked. It enrely holds the out, and try a glass of the Apostles responsible for the crucifizion of Apostles responsible for the crucifixion of he Saviour. If Judas had been editor of the New York Times he would not have hanged Pilate for the chief office in Judea, and would have telt bound as a good Christian to bunt down the other eleven disciples for their treschery to Jeous.

The Connection of the L. & C. R. R. With the L. & N. R. R. hich are imposed from without, and which a small party is very actively at work in this city to prevent a connection of the Nash. b maintained by garrisons—this is rebellion ville and Covregion railroads at this point. oth! If there be "s shilling's worth of Their object seems to be to seeme to the Jrfgood interpretation" in such babble as this, ferrouvide Railroad a monopoly of all the there is no such thing as comm n sense or through freights between points north of no and the country South. By the construction of a coatly bridge over the falls, which will way for railroad care through the atreets, the city has made the Nashville road but a connuation of the Juffersonville soad and ite Northern and Eastern connections. If no other route is permitted to have a close con section with the Nashville road at this poin the Jeffersonville line will have a "mighty good thing of it," and can afford to pay roundly for the services of those who assist in

securing it the desired monopoly.

busy in the work of "dropping fless into the ear." They magnify the potency of Clucinnati rivalry, and appeal to the fours of used as a toilet some removes frech a, as & the timid, who are so weak as to believe that Louisville, with all her advantages of posi-In the path of the latter, and impose upon pertenord and accomplished instructors. I'm har reads with the South both a tax and a vex-strough delay in its passage through Lou sville. They tell us that a connection between the Cortugton road and the Nashville road at this point, permitting irrights to pass between Nashville and Cincinnati, without breaking built, or encountering the delay and cost of interesting the delay an intermediate descare will transfer the termi. at the in-turn of Breek action Uincinnsti, and give to our near and powerint val the advantage of roads which have been built by Louisville enterprise.

Euch appeale were conclusive lu the time when political coonomy was a bundle of sur peratitions, and ships were only permitted to avil on lucky days and after the merchant "guarantee to each State a republican torm had consulted his coffee grounds. They were ot government," and cach Congress must discussed and disposed of when Louisville judge and decide the question non its own was a one-horse cily and the canal question conscience and esponsibility. Any other was first askisted. They were conspicuous was first agitated. They were complement at Eric when the "pea nut wer" was taging Erle has outgrown such children lears, and Nashville even as getting too hig to display them. We shall not therefore stop to and lyze the sophism of these appeals, but cou The Isabe, then, between the Republican and the D mocratic parties, is not whether the bogus governments of the both the partiagns of the Jeffersonville road monopoly would have the people Ignore In the first place the termions of the Nosh ille road, if it can be transferred by a con be recognized as legitimate and "republican nection, is siready transferred from Louisville to form," or whether governments made for the connection with the Jedersonville

them elves by people competent under our road. The track from the Nashville depot to laws to do so shall be recognized as the le-Republicans propose to rocognize process.

Nashville road be transferred then to Indianno other governmen a were ever and up in this land. The Democrate will recognise no at this point with the Covington road will recognise to covernments in the South rave such as have transfer the terminus of the Nashville road been formed in accordance with the same from Louisville, similar connections at Cinprecedents and manges, and by the observance clanati with the roads centering there will as of observance great prin spics of popular right, certainly transfer it beyond that point, and which prevailed in the formation of all the other Sate Governments. At that he treason and rebellion, make the most of it. How the New York Times Supports of Louisville. The railroad bridge and the It Sulpman had to It Solomon had lived till now he would base added another to the lat of tour things ville to decide, is whether she will further the

When a pure nger is to be averted it is they who benand overcome it, when a put debt is to t paid it is they who must dig it from the so or the mint, and, though they are forced to or all the publ burdens, they are ent les

at least to be usued respectfully when the re mentioned in the papers. General Frank Wolford, It me ector for the State at large, will, on Thun ay, July 20, add - the people at fevia Estill rounty, instead of Kingston, Madico changes are required to not this change

The Whisky Fraud Prisoners. Judge I nderwood has received instruction on the Secretity of the Interior and Chic autoc Chase, directing that Anderson, Use rason, Gouldman and Klaom be rem. Ved a son as pussible from the Lisby to the Alban poultestury. The prisoners seem never being to the Albani poultestury. The prisoners seem never being to to the real and that they were actually going to the positentiary, and sere completely overcome when the orders from Western were communimed to them. They were removed early next week.— Rechmond, in , Darpatch, June 27,

40th CONGRESS -- FIRST SESSION

olved.

MR EDMUNDS introduced a bill to fin the inc for the next meeting of Congram, v.v. the third Monday of November next. Placed

on the calendar,

Ma PATTERSON, of New It imputire, from
the Committee on Foreign Affairs, reported
till to improve the efficiency of the diple
matte and consular service of the Unite
theses

States.

Mu HDWARD presented the tradentine of A. S. Welsh, recently elected Senstor from Florida, who came forward, was a sorm and turk a seat at the sarrence left, benide Mr. McDonnid, of Arkansas.

Ma HOWE called up the bill to ratend the time for the completion of the West Wisconsin railroad. Passed Ma CONNESS called up the bill relating to the Western Pacific railroad. The bill results the read of a much of the billing of Yerkes.

600 for the defictency in the fand for the se-ter of sick and destrict armon, The appro-priation was retained by a vote of 11 to 20. The bill was then passed.

A motion for an examing season was simpled numbinously reconsidered, on account of the tutenae heat, the thermometer being at 87 de-

grees. Ma JOHNSON tutroduced a bill graulit \$7,000 to the Ladies' Mount Vernon Association, which was referred to the Committee of Claims.

MR. HOOPER, from the Committee on Wayward Mesne, reported a bill to collect 10 per cent, on United States bouds by making the vix per cent, laterest five and lour testlar per cent, the five per cent, from and five-testlae, and the three per cent, two and five-testlae. The report declares that the committee does not approve the bill, and only report it in obedience to the order of the House.

of Iceas. Officered to be printed and recommitted.

The bill reported yesterday from the Committee op Private Land Claims, to restore to certain parties their rights under the law and transites of the United States, come up.

Mr. STONE, who had charge of the bill, accepted the amendment suggested sesterday by Mr. Johnson, saving the rights of actitiers under the preciuption or homisted laws.

After considerable discussion the bill was payed.

or praison bills were nonconcurred in and referred to a contenence commillies.

Mr. BANKS gave notice that on Tuesday near he would move to go into committee of the whole on the Alueka bill. This postpones the chirties way.

The Bonse went into committee of the whole and look up the densite amendments to legislative, rascutive, and indicial a propination bills.

The Boase went into committee of the whole and look up the Senate amendments to legislative, rarcuite, and judicial appropriate on the financial condition of the country.

Mr. Washburn, of illinois, stated that the financial condition of the country.

Mr. Washburn, of illinois, stated that the financial condition of the country.

Mr. Washburn, of illinois, stated that the financial condition of the country.

Mr. Washburn, of illinois, stated that the financial committee recommended concurrence in the remainder.

The committee proceeded to vate on the financial position to apparently that he will not permit the me of his name by the overalts. Members of the Legis mountains in its position to apparently that he will not permit the me of his name by the overalts. Members of the Legis mountains in its position in apparently that he will not permit the me of his name by the overalts. Members of the Legis mountains in its position in apparently that he will not permit the me of his name by the overalts. Members of the Legis mountains in a position in apparently that he will not permit the me of his name by the overalts. Members of the Legis mountains in a position to apparently that he will not permit the me of his name by the overalts. Members of the Legis mountains in a position to apparently that he will not permit the me of his name by the overalts.

The committee proceeded to vote on the amendments one by one.

The first amendment of importance was to stellar out the item for paying court claims, and provides that no judgment enceding five thousand dollars should be paid. Candidate the dobte ance, and family the Senate amendment was concurred in, and a proviso struck out.

The next emendment that gave rise to de between that in relevence to the publication of the debatev in Congress in the Congre-sional Glob, and requiring the Committee on Printing to advertice for proposals for this work.

work

Ma DONNELLY moved to amend the Scante amendment, and that after the 4th of Match, 1860, unless perriourly or otherwise ordered, the debates shall be published daily at the Government seinting office.

Ma WASHBURNE made a point of order on the amendment, which was oversuled,

THE BIGGEST MAY STORY ON REC Commercial Matters

Farmer Sloys Three Handred and Eighty Sig in His Own Cellar-; strange Story,

if from the Dubagae Times, June 27]
We are about to relate a strange story one that might be doubted were it not upported by the testimany of numerons vitnesses. The particulars were related a na by a friend in whom we have the timust comfidence, and we will proceed a lay tham before the public without unther comment.

down in solidy delivation at tenes, charged down in solidy delivate upon their uncity. At first Mr. Monteish was summed at this noval performance, and calling to mind the example of the atrong man of these, who slayed his thousands with the jaw-tione of an ass, he concluded that was see he would serve the vermints who threatened to eat him out of house and home. With a bound he aprang grown them, amote them to the right and left, hicked, atemped and trampled upon thesus, piled rate here, there are verywhere, raged, foamed and exulted over his free, but still the role cause on they climbed upon his legs and book, bit his again, hands, used and face, until tired of the apart, one flatting that he was severely bitten, Mr. Montells best a retreat up the sterwer, leaving the rais in peasession of the field. After he had rected up the sterwer, leaving the rais in peasession of the field. After he had rected upon that live, if it took all ummars. But the rais jad evidantly got the worst of it fee when the party reached the soone of the condito not living our was to be seen—none but the dead and dying. The latter were soon thapsetched, when an inventory was taken of the bodies of the slavin.

They were found to number three hundred and eighty-six by actual count. Their removal was a task of no little difficulty, but this was finally accomplished. Not a living rat has been seen on the permise since, and Mr. Montelth now congratulates himself who were received from a reliable source, and we have mersly related to us. If any one has a bigger rat story we would like to hear like the chove particulars were received from a reliable source, and we have mersly related to us. If any one has a bigger rat story we would like to hear like is not due. If any one has a bigger rat story we would like to hear like is not due. It any one has a bigger rat story we would like to hear like is not due. He are like the particular and could be conditived in the little and the conditive due to the condition of the little and the conditive due
